

"TIME CUBE 4ce"

In 1884, meridian time personnel met in Washington to change Earth time. First words said was that only 1 day could be used on Earth to not change the 1 day bible. So they applied the 1 day and ignored the other 3 days. The bible time was wrong then and it proved wrong today. This a major lie has so much evil feed from it's wrong. No man on Earth has no belly-button, it proves every believer on Earth a liar.

4 different corner harmonic 24 hour Days

Both Cubic Thinkers and SnotBrains were born with opposite brains, capable of math analysis to know most everything. The Religious/Academic Oneness Brotherhood destroys the Brain's ability to think opposite of singularity trash taught. Such reduced Brain intelligence begets the student a tag of SnotBrain android - encapable of comprehending absolute proof of 4 Days rotating simultaneously within a single rotation of Earth. Cubics comprehend it. You are a Cubic Thinker, or SnotBrain.

You SnotBrains will know hell for ignoring TimeCube. I do not promote or suggest anyone killing you, but you are unfit to live on Earth.

Binary Life Force is more Powerful than ONE God - especially the ole dead Jew, for which you've denounced your own mother and father.

1 side brain can't reason without the opposite side.

Americans are so dumb, educated stupid and evil, they have snot for brain.

Believers have snot brain. Educated have snot brain.

God worship only needs a snot brain, but it takes Opposite Brain Analysis to know Harmonic Life.

The masculinity Sun and femininity Earth - form a Binary of Harmonic Opposites at Center of Universe - Greater than either Sun or the Earth, debunking all fictitious Oneism Gods taught by religious/academic Word Animals. The invention of fictitious WORD inflicts humans as Word Animals - the dumbest and most Educated stupid and Evil animal to inhabit Earth and the Universe. Watch for Giant Eraser as there is a great danger of the human Word Animal being self-erased. You cannot comprehend the actual 4 simultaneous days in single rotation of Earth, as 1 day 1 God ONEism blocks the ability to think opposite of the ONEism crap taught. Education destroys brain.

Dr. Gene Ray, Cubic and Wisest Human

Gene Ray interview by Lionel on Air America Radio,
The Lionel Show - 10am, Friday, August 3, 2007

Creation is the Harmonics of Opposites - Opposites are the Harmonics of Creation. God entity is queer sex, or no opposite sex. God Oners must ban all sex with Opposites. Trinity of males degrade female opposites. Sex okay for atheist, but not God Oneists. Opposite hemispheres equate planets to a Giant Brain, that has 4 faces, but no limbs. Adults create baby, baby evolves to adult. No 1 God can create a planet of opposites, which equate to a zero value existence, and cancels to nothing as an entity in death.

DOG BRAIN STUDENTS

Singularity "education" inflicts a dog brain upon Students - ability to be taught servitude - but an inability to ever think opposite of brainwashing and indoctrination - very unlikely to ever recover to acknowledge Nature's

Harmonic Simultaneous Rotating 4 Corner 24 Hr. Days in 1 Earth Rotation.

Dr. Gene Ray, Cubic and Wise Above God.

Cubic Nature is Omnific,
Infinite, Ineffable and
on Harmonic duty today.

Singularity has no God
within "The Universe of
Opposite Corner Life" -
opposite hemispheres
and opposite sexes - by
which all Earth life exist.

For as long as you dumbass,
educated stupid and evil
bastards IGNORE Cubic
Creation, your sons and

women and children. Keep
ignoring me you evil asses
and observe the slaughter of

& keep counting the dead sons.
Creation occurs via opposites.
Singularity is the death math
of religious/academic Godism.
Earth Opposites should split

for they are the evil on Earth.**

If god is your father, your mother is a whore.

Opposite Creation vs evil god entity.

He who speaks, preaches, teaches, condones

equates DEATH by cancellation of universal
OPPOSITES - hemispheres, sexes, seasons,
races, temperatures, marriages and divided
cell (the human Cubic who rotates a 4 corner
stage family rotating metamorphic lifetime) -
should have their evil lying tongue cut out.

Educators are lying bastards.

**-1 x -1 = +1 is WRONG, it is
academic stupidity and is evil.**

**The educated stupid should acknowledge
the natural antipodes of +1 x +1 = +1 and
-1 x -1 = -1 exist as plus and minus values
of opposite creation - depicted by opposite
sexes and opposite hemispheres. Entity is
death worship - for it cancels opposites.**

I have invested 30 years of my life and over
1/4 millions dollars researching Nature's 4 -
simultaneous 24 hour days within a single
rotation of Earth. Religious/Academic word
taught singularity is contradicted as evil lies
by the simple math of the Cube's Opposite
Corners - the most perfect symmetry within
the Universe. Academic **SINGULARITY**
is a contradiction to the opposite sexes, the
opposite hemispheres and to the universe of
opposites that exist as a zero value existence.
The academic taught singularity/entity is but
poison fed the human populace - slow death.

I can say that educators "eat shit" and they
only cower and hide, doing nothing that will
induce debate, that will indict them as evil.
Americans will die **SINGULARITY** stupid,
their brain lobotomized by **EVIL** educators.

**Neither EARTH or HUMAN
exist as entities, but opposites.**

Earth is composed of opposite hemispheres
which rotate in opposite directions - equal
to a zero value existence (plus & minus). As
entity, the opposite hemispheres cancel out.

Earth exist as 4 - 90 degree opposite corner quadrants, **but not as a 360 degree circle.** Earth is *Cubic opposites*, **nothing as circle.** A *singularity inflicted scholar* has not the mentality, freedom or guts to know that academia is a Trojan Horse mind control. Singularity brotherhood owns your brain, destroying your ability to think Cubicism. Evil academia blocks out Time Cube site and suppresses its discussion and debate. **You are an educated singularity idiot who can stupidly deny Nature's Harmonic 4 simultaneous 24 hour days within a single rotation of Earth, or even make parody of the Cubic Creation Principle - but your mental ability to comprehend the greatest social and scientific discovery of all human existence has been lobotomized by the evil academic singularity bastards hired to destroy your ability to think opposite.** You cannot comprehend ***Opposite Creation.*** Religious/academic taught singularity is the reduction of the human mind to android.

The half of Earth seen from space, cannot exist without the opposite half not seen... existing as opposite values.

Earth entity does not exist - for it is composed of opposite hemispheres which rotate in opposite directions - equating to a zero value existence, and to nothing as a "singularity".

You were educated to live an evil lie - and your heirs will suffer hell for your stupidity.

The entity you seek is death.

Educators teach **assumed math**, but are too damn dumb, stupid and evil to know that until Word is cornered, Math is fictitious. Academic/Religious Word is a fictitious Trojan Horse and the most efficient form of human enslavement ever concocted by "Singularity Brotherhood of Bastardism". **I INVOKE a CURSE upon the educators** that their students will awake from their academic induced stupor & seek revenge.

You are evil to believe in the singularity concept of a God, for the whole Universe and everthing within is composed of Opposites - which exists only as Opposites with a zero value existence - and nothing as an entity. When adults go to heaven, children still living on Earth will burn in the hell that adults created for them. Love of God is hate for child.

No man, nation or God equal
Cube symmetry of opposites.

Mathematically impossible for a Genius
or any God to match my Cubic Wisdom.
Educators fear me, they cower and run.
6 sides constitutes a sextet -- not a Cube.
Teaching that a Cube has '6 sides' with
no top & bottom, induces an evil curse
that pervades all academic institutions.

Opposites create Opposites.

Mom & Dad opposites create son & daughter opposites.

Opposite Creators required,

Depicted by Earth's opposite hemispheres.

Singularity God impossible.

Opposites de-god Religion.

Opposites create the universe.

Opposites compose the Earth.

Opposites compose humanity.

Opposites create your body.

Opposites de-god academia.

Opposites **de-god** singularity

taught by religious/academia.

I can call singularity educators the most
putrid name on Earth and claim they eat
cow-dung ambrosia, but the lying ass
bastards will not even object - for they
know I am right and that any debate will
indict them for the evil they perpetuate
against the students and future humanity.

Scientists know Time Cube,
but any scientist supporting
the 4 simultaneous days in a

single rotation of Earth, will be fired and banned for life from academic institutions. Scientists are **evil cowards and should be castrated** for **obscurantism** of the 4 simultaneous days within a single rotation of Earth. Average people understand 4 Day Creation when I tell them about it, but scientist can't accept it, for the evil bastards **think singularity**. Singularity **can't procreate, a feat requiring opposites**. Bible Word is a singularity. You are taught singularity. Singularity is death worship and damnation of humanity. No God equals the 4 corner simultaneous 24 hour days within single Earth rotation. The universe and all within it is composed of opposites. Religious/academic taught singularity is queer as 1 sex. Believing is not knowing - but evil that ignores facts. Santa vital to Christmas - No Santa - no Christmas. Why credit Santa LIE with gifts that parents buy their children? It bribes the child mind to accept false Santa spirit and false god spirit deceit associated with it. Santa Claus and Christmas must be indicted deceits that destroys child mind. God is but an adult Santa extension of child Santa - equating evil singularity - unnatural as 1 pole Earth. Earth has not 2 poles, but opposite poles that cancel each other out - if added. 6 side Cube is Evil math, ignoring its top & bottom. $-1 \times -1 = +1$ is Evil math, as +1 and -1 are antipodes equating a zero existence. 3 Dimensions is erroneous math without a 4th corner perspective dimension. If ever allowed, Cubic debate will indict evil singularity as damnation of humanity. Believers are Evil - for not measuring. Result of belief is dyingstupid -you can know.

Singularity education begets evil,
for you were born as an **opposite**,
between opposite sexes & the
opposite Earth poles. You are
educated as a stupid android
slave to the evil Word Animal
Singularity Brotherhood. Your
analytical mind is lobotomized
and you cannot think opposite
of lies you are taught to think.
You build the hell 'they' teach.

Dr. Gene Ray, Cubic and Wisest Human

You have opposite brains to think
opposite, but Big Brother icepick
academic lobotomy has destroyed
your mentality to think opposite of
the evil singularity you are taught.

The 4 days is above your godism
and you don't even want to know.
Universe is composed of opposite
hemispheres and opposite sexes -
equating to + / -, a zero existence,
depicted by Pyramid's bare coffer.

Your 1Day God Makes You Evil.

4 Corner Days Are Absolute, but
ignored by stupid/evil educators.

Until cornered, word is fictitious.

God is product of fictitious word.

4Day Cube Disproves 1Day God

All creation within the universe is composed of
opposite hemispheres and opposite sexes - with
opposite races, opposite seasons, opposite luck,
opposite directions and opposite perspectives -
equating a harmonic rotating zero value existence.

"To know all, is to know nothing".

You must attack the word bastards who preach
and teach evil godism and racism singularity lies,
for any singularity brotherhood is mental slavery
that desecrates family, village and tribal **opposites**.
Americans are dumbass, educated stupid and evil
singularity fools. I will wager \$10,000.00 that
within the Cubic embodiment of Nature, there are
4 simultaneous 24 hour days within a single rotation
of Earth. Acknowledge the math below or go to hell.

4 Day Cube disproves 1 Day God.

1-Midday to midday = a 24 hour day rotation.

2-Sundown to sundown = a 24 hour day rotation.

3-Midnight to midnight = a 24 hour day rotation.

4-Sunup to sunup = a 24 hour day rotation.

4 Day math condemns 1 Day fools.

These 4 absolute simultaneous days PROVES the
1 day god, 1day academia, 1 day religion and the
1 day media to be erroneous, fictitious and evil lies.

Education equates to a mass icepick lobotomy -
destroying the mind's ability to think as opposites.

All 4/24 hour days occur within 1 Earth rotation.

***You educated stupid word animals can't fathom
this greatest social and scientific math of creation.***

God claimed to have created a single day rotation of Earth. I have created simultaneous 4 day rotation of Earth. Why do you worship such a stupid God? Do you really believe that your Jew God screwed a hole in the ground to create Adam and Eve out of dirt, at the same time that woman existed in the nation of NOD, Nation of Damsels from where Cain got wife? Adam and Eve were created at the same time, but sexless. A rib was removed from eve and a hole left to make a woman of her. The rib was stuck on Adam to make a man of him - and Eve is still trying to get her rib back.

Recognition and application of this Cubic simultaneous 4 day rotation of Earth, will change all math, science and societies from the beginning of human existence. You have to be evil to ignore this math.

- 1-Midday to midday is a 24 hour rotation.
- 2-Sundown to sundown is a 24 hour rotation.
- 3-Midnight to midnight is a 24 hour rotation.
- 4-Sunup to sunup is a 24 hour rotation.

4 Earth corners rotate 4 Time corners - for 4 simultaneous day rotation of Earth - equating the principle of a 4 pole motor. Academic bastards will deny the obvious. Americans are EVIL for ignoring Cubicism.

**Acknowledge the 4 days or you die evil.
Do not pass this point without the 4 days.**

Dr. Gene Ray, will be interviewed on
FTL@freetalklive.com, at 8pm on
Friday 7, about Time Cube discovery -
greatest discovery of human existence.

**Humans are evil to worship
singularity of 1day education,
ignoring Nature's Harmonic
Cubic Antipodal Creation.**

**Academic singularity is as
evil as God singularity evil.**

**You have not the mentality
to comprehend the simple math of Cubic**

antipode creation, for at about age 6, your
parents gave your 2 opposite antipode brains
to Big Brother academic hirelings, to clone
thought to serve evil singularity brotherhood -
destroying Cubic families, villages and tribes.
Creation is by opposites, opposite hemispheres
and opposite sexes - not queer singularity.

You've been educated stupid
by "Big Brother" singularity.

Singularity God is evil belief.

Cubic antipode creation debunks singularity.

Cube is the most perfect form of opposites.

Opposite hemispheres equate opposite cubes.

Opposite sex cubes equate to a crap-shoot.

**Your God claimed to have created a single
day rotation of Earth. I offer absolute
proof that I have created 4 simultaneous
24 hour days within a single rotation of
Earth. You worship "Evil Singularity",
equating you to a "singularity bastard".**

Why do you worship a queer 1 day God?

Are you content as a singularity queer?

Einstein was singularity stupid,
and you are singularity stupid.

"Born Cubic, THINK CUBIC",
you rotate a 4 corner stage life.

Singularity educated humans

are not intelligent.

The universe does not exist,

except as opposites - with a
zero value existence. Add

the opposites together and
the universe ceases to exist.

All humans are created and
exist between the opposites
of male and female values.

Add the opposites together
and humans cease to exist.

A single God is death and

constitutes evil worship.

I am flabbergasted that the
"big brother" hired pedants
can brainwash and indoctrinate
the powerful antipode human
mind to ignore the simple math
of 4 simultaneous 24 hour days
within a single rotation of Earth,
to worship one and trash three.

EVIL OBSCURANTISM

(Deliberately withholding CUBIC KNOWLEDGE)

**No human "entity" exists.
Cube is opposite perfection.
*Singularity is death worship.***

CREATION IS CUBIC, but
you are educated *singularity*
stupid by academic bastards.
Greenwich 1 day time is evil.
Can you explain the 4 days
rather than the 1 day taught?
If not, you are truly stupid.
To ignore the 4 days, is *evil*.

Can you tear and burn the bible, which
represents Biblistic Selfnic Bastardism -
contradicted by Cubic Creation of Family
and Village Tribal Perpetual Bodies. If
not, you are self-indicted as DUMB and
EVIL SPINELESS WORD ANIMAL,
totally ignorant of Nature's Cubic Life.

I possess data, with proof,
that will absolutely blow the
lid off the present civilization.

If the United States buries 80,000 tons of
nuclear waste inside Mother Earth, for our
children to inherit, then Americans will be
the most evil bastards to ever inhabit a planet.
A proper burial spot for nuclear waste is under
academic institutions and in Washington D.C..

Dr. Gene Ray, the Wisest Human,
lectured on his Time Cube discovery at
Georgia Tech, on April 14 at 7 pm.

Opposites ARE NOT entities.
Earth nor human equal entity.
Male/female = zero existence,
as in 2 opposite hemispheres.
Male+female cancel each out.

**My Cubic Wisdom debunks 1 sex gods.
The male god singularity and same sex
trinity equates denouncing motherhood
and supporting a state of queers - with
a price of HIV devastating life on Earth.**

**Faith IS NOT knowledge,
but evil of not measuring.**

Apply analytical math to Earth sphere
and discover 2 opposite hemispheres
rotating in opposite directions - equal
to a ZERO value existence. Earth is
not an entity, for adding the opposite
values cancel each other to no existence.
All the universe exist as opposite values.

Academic and religious taught stupid
SINGULARITY is greatest of all evil, as
even humans are created via opposites.

Evil academic bastards who preach
singularity and block Cubic Creation
debate, should be nailed to the cross.

Your future is your plundered past.

Today, you have the opportunity to
make tomorrow better than yesterday.

To do less, is a crime against children.

**Believers are ignorant of Cubic Creation
and will be destroyed by their own word.**

All Creation occurs between Opposites.

On Earth between opposite hemispheres,
and for humans, opposites sexes. The 2
opposite sexes equate to 2 separate Cubes,
as if dice of femininity and masculinity -
equating Human Life to a Crap-Shoot
chance of exciting lifetime possibilities.

Academic and religious taught singularity
creation deserves a coming horrific hell.

**I have demonstrated absolute proof
of "Cubic Creation", through its
attributes of 4 simultaneous 24 hour**

days within a single rotation of Earth.

I have \$10,000.00 that I will
wager that Cubicism transcends
and disproves Theism Creation.

Also, proof that humans are Cubic
forms that rotate a 4 corner face
lifetime, not an entity as the 4 corner
stage faces do not occur at the same
time for the 1 corner face individual.
There is absolute proof that Earth is
not an entity as Earth is composed of
2 opposite hemispheres (as in plus
and minus), that would cancel each
out if unified as an entity. There is
proof that all humans exist between
the 2 opposites of femininity and
masculinity, and would cancel each
other out if unified as academic or
religious "singularity" - equating to
stupidity and suicide for humanity.

"Why something rather than nothing?"

Between the opposites, all
things are created. As an
entity, they exist only as a
big zero, seen from space
as something and nothing
from every possible view.

There is proof that 3 dimensional
math is erroneous, and that linear
Time is actually of a Cubic nature.
Ignoring Cubium indicts you evil.

Scholars ravage Earth's resources.
Scholars plunder America's Nature.
Nevada's 77,000 ton nuclear waste
burial should be made a monument
to Scholasticism's evil singularity -
contradicted by Cubic Created life,
relative to the Cubium dipole atom.

Time Cube is "T.O.E.", theory of everything.
Time, Life and Truth = a Cubic Principle,
a natural creation of ineffable opposites.
Caltech professors practice obscurantism
and can not ever allow Time Cube Debate -
for it will indict the word bastards as evil.
They can't argue it, their power is to ignore -
and that's why students must demand debate.
Word is most efficient form of enslavement.
You have been educated singularity stupid.
You have been educated in singularity evil.
Self singularity is cursed form of humanity.

Do you care to know that **Cubic Creation** debunks the Word God and Word World of the **educated stupid** human Word Animal?

**Evil educators suppress
student free speech right
to debate Cubic Creation.**

Evil students don't object.

Cubicism debunks evil scientific**singularity**.
Cubicism debunks evil religious**singularity**.
Cubicism debunks evil word god **singularity**.
Cubicism debunks evil academic **singularity**.
Planets created **via opposite** rotating poles.
Flag depicts **opposite** rotating hemispheres.

Creation of life occurs between 2 **opposites**.
You're too stupid to know **opposite** creation.
1 day **singularity** dooms **Opposite** humanity.
1 god **singularity** dooms **Opposite** Creation.
Opposite Creation dooms human **singularity**.
There's no human entity, only corner Cubics,
rotating life's 4 corner stage metamorphosis.
4 corner head has 1 corner face, 4 face life.
Educated fools can't comprehend Cubicism.
Life is as secure as existing on a razor edge.
Apply reverse engineering to know creation.
Humans are educated stupid Word Animals,
creating a Word God and Word World, thus
inflicting **singularity** as mangle upon Nature.
Singularity educators are **unfit** to even live.
Wisdom is a Cubic measure of Knowledge.
Via Cubic Wisdom, I am the **wisest human**.
Mind must see **Cube** eyes can't comprehend.
Time Cube impose 4 corners on Earth sphere.
Earth sphere is Cubic with rounded corners.
Earth exists as 2 **opposite** Cube hemispheres.
Humans must establish 4 corner Earth Cube.
All humans exist between 2 **opposite** sexes.
Impossible for a human **singularity** to exist.
2 **opposite** sex Cubes equate to **crap shoot**.
Religion and academia preach **singularity**.
Human word animals are **singularity** stupid.
Evil singularity dooms **Opposite** Creation.
YOU can't handle Cubic Time, Cubic Life
or Cubic Truth - for inside of Time Cube
equates the most magnificent **symmetry**
of opposites existing within the universe -
for every corner has an equal opposite corner,
every 2 corners has an equal opposite 2
corners, every tri-corner has an equal
opposite tri-corner and every 4 corners has
an equal opposite 4 corners. No human or
god can utter such powerful ineffable
opposite Cubic Truth. **God is singularity.**
Evil singularity dooms **Opposite** Creation.

Fools know not Nature's Cubic Creation.
Children are sacrificed to deified hoax.

God image is womanless queer likeness.
No god equals *harmonic 4 day* creation.
Queer science theory forced on children.

EVIL STEWARDSHIP -

It is an evil government of evil adults to
bury 77,000 tons of nuclear waste in the
Nevada mountains as a heritage for their
children, and keep on making it. Taught
and preached cubeless SINGULARITY
equates to an evil education within the
realm of Nature's Harmonic Cubic Life.
Wisdom is Cubic testing of knowledge.

Educated cubeless stupid, *you think stupid.*

Why worship a dumb 1 day god when I
demonstrate 4 simultaneous 24 hour days
within a single 24 hour rotation of Earth?
Linear, singularity and trinity equate to
evil math within Nature's Cubic Creation

***You are a slave - to academic
induced inculcated belief - an
insidious entity, an evil which
corrupts human mental ability
to accept creation knowledge,
as demonstrated in Cubicism.***

Humans exist as CUBICS, not entities,
for the 4 corner stages of rotating human
metamorphosis do not occur at the same time
for the individual - except for family Cube.
You are educated stupid, indoctrinated evil,
and can't even acknowledge that a mother
and baby are the same age - on opposite
corners of a Cubic Creation Principle - for
Truth in Opposites contradict a god entity.
Evil educators *suppress* Cubic Creation and
preach evil singularity to dumb students -
dispossessing students of ratiocinate mind.
WORD students serve Nature best if dead.

The hollow Time Cube in which the 4
quadrant corners of Earth rotate, equates to
your 4 corner bedroom, or to a 4 corner
classroom which represents the 4 corners
of Earth - in which stupid and evil pedants
teach dumb students 1 corner knowledge.

Each of the 4 corners of Earth is the
beginning and ending of its own separate
24 hour day - all 4 simultaneous days within
a single rotation of Earth. Place 4 different
students in the 4 corners of a classroom and
rotate them 4 corners each. Note that they
rotate simultaneously within the same Time
frame as if only one is rotating - just as the
4 different days on Earth rotate. 3D math
applied within this hollow Cube would be
erroneous math, as it would not account
for the 4th corner perspective dimension.
Place a 100 people within this Cubic like

room and they will not increase the number
of corners anymore than 6 billion people on
Earth will increase the 4 corners of Earth.
It is dumb, stupid, evil and unworthy of
life on Earth to claim that this Creation
Cube has 6 sides - or no top and bottom.
Academia equates to a deadly plague.

A mother and baby are the same age, as
a 1 day old baby has a 1 day old mother.

I am not allowed to lecture at the word animal
academic institutions, for they fear my wisdom
will expose and indict the pedant hirelings as
betrayers of dumb-ass students - the dung heads
who allow their freedom of speech to be
suppressed without a whimper, unbelievable.
Word animals will feel the wrath of Cubic curse.

Creation of 4 simultaneous 24 hour days,
within a single rotation of Earth, empowers
me above all 1-day gods and educated stupid scientists. I will wager \$10,000.00 on it.

My wisdom so antiquates known knowledge, that
a psychiatrist examining my behavior, eccentric
by his academic single corner knowledge, knows
no course other than to judge me schizophrenic. In
today's society of greed, men of word illusion are
elected to lead and wise men are condemned. You
must establish a Chair of Wisdom to empower
Wise Men over the stupid intelligentsia, or perish.

**All knowledge of the human
word animal, is insignificant,
when his fictitious word world
is compared to Nature's own
Dynamic & Harmonic Time
Cube's Creation Principle.**

God created only a single 24 hour day
rotation of Earth, while I have created
4 simultaneous 24 hour days within a
single rotation of Earth - therefore, I
am wiser than the word god, and all
word worshipers. All words are fictitious.
**I will wager \$10,000.00 that
Cubic Creation is almighty.**

All creation on Earth exists between the 2
opposite poles, and if unified, would cancel
and cease to exist.

Humans exist only as opposites - with a
zero value, for if unified, male and female
would counter each other & cease to exist.

I have been informed that the academic
pedant hirelings are conspiring to defame
my character, as a means to discredit the
Time/Life/Truth Cube Creation Principle.

**Hey stupid - are you too
dumb to know there are
4 different simultaneous
24 hour days within a
single rotation of Earth?
Greenwich 1 day is a lie.
4 quadrants = 4 corners,
and 4 different directions.
Each Earth corner rotates
own separate 24 hour day.
Infinite days is stupidity.**

Wisdom=Cubic testing of knowledge.

**Demand right to debate Time Cube,
or you are unworthy of life on Earth.
I can't believe that stupid ass students
allow suppression of the Time Cube.**

**Evil educators refuse to recognize
the wisest of humans to ever exist.**

**My magnificent creation of 4
simultaneous 24 hour days within
a single rotation of Earth, debunks
the puny 1-day rotation of a fake
word god and stupid educators.
Nature has no choice but to bring
forth a hell upon evil cubelessness.
Know it to be of your own making.**

**If I tell a human that his 4-corner
head (nose, 2 ears and back corner)
has only a 1-corner face, the dumb-
ass will say to me - "prove it". He
knows not that his face is a corner.**

**Google once had 89,000,000
links to Time Cube site.**

[Click for Time Cube on Horology Site.](#)

**The Gene Ray Time Cube interview will
air on June 18, on TechTV "Unscrewed".
Dish TV 191, DirectTV 354, and Cable.**

**Academia is an accreditation of real
stupidity - deadly to all humanity.
Dumb ass teachers fear Time Cube
and will eat dung before debating it.
Dumb students are educated stupid.**

Click below for stupid linear time.
[Nature's Time is Cubic and perpetual.](#)

**I have requested that the UCS, or
Union of Concerned Scientists, act
to evaluate Nature's Harmonic Time
Cube Principle of Creation - for the
welfare of children, nature and the
future of all humanity. The dumb,
stupid and evil bastards have ignored
their obligation to their humanity
fellowship to research Time Cube,
and deserve to be spit upon publicly.**

**It is their moral duty to test Time
Cube, and a curse of evil if they ignore
the greatest discovery of humanity.**

I have offered \$10,000.00 to the evil

bastards if they disprove Time Cube.
They can't disprove it, so they hide
like yellow-belly bastards they are.

*There is no human entity, just human
Cubics - as in 4 different people in a
4 corner stage metamorphic rotation -
never more than 1 corner at same time.*

**Cubeless education - is a deadly evil.
Cubeless educators are evil bastards.
Humans are dumb, educated stupid,
and evil. They don't want to know
Nature's Cubic Order of Creation.**

Man invented word, and calls it god.
"The Word World", imposed by the
academic institutions, is synonymous
with the Matrix's induced "Dream
World". Both are most efficient mind
enslavers, and humans know not their
difference from "The Cubic World",
the creation principle of all that exist.

Corruption of Word

*Academic free speech is a damn lie. Try
to discuss & debate Nature's Time Cube
and your evil teachers will not allow you.
Ignorance of Time Cube dooms humans,
inflicting their own created "word hell".
Educators are actually "evil word gods",
teaching commercial plunder of Nature.
The damn bastards suppress free speech,
by denying Time Cube debate discussion.
Students MUST DEMAND free speech -
for the greatest of all human discoveries:
Nature's Harmonic Simultaneous 4 Day
Rotating Creation Principle of Cubicism.
Educated stupid, you can't know Truth.*

*Read physics of Santa Claus . Explain the
physics of a god. Belief has no inherent
value, but worship of such nonvalue as a
god, equates to nonacceptance of Cubic
knowledge - as demonstrated by ineffable
Truth and the Highest Order of Wisdom.
I can talk with a human for hours about
the Time Cube and they will agree with
every claim I make. But at the end of the
conversation, they remark that they believe
in the nonvalue belief god and cannot
accept Cubic Creation, regardless of all
the ineffable Truth and Wisdom it proves.
A Belief Matrix pulls a 1 day world over
your eyes, while the real Cubic World has
4 simultaneous days in 1 Earth rotation.
Educators own your mind and fills it with
garbage, that will soon destroy humanity.*
*****>

Did you see the movie Matrix? Actually the
induced night "dream world" is synonymous
with the academic religious induced daytime

"word world" enslavement of humans. Word has no inherent value, as it was invented as a counterfeit and fictitious value to represent natural values in commerce. Unfortunately, human values have declined to fictitious word values. Unknowingly, you are living in a "Word World", as in a fictitious life in a counterfeit nation - which you could consider Matrix induced "Dream World". Can you distinguish the academic induced "Word World" from the natural "Real World"? Beware of the change when your brain is free from induced "Word World" enslavement - for you could find that the natural "Real World" has been destroyed.
